

The Census is coming to Wilton!

The Census is *important*

- ~ In 2016, New Hampshire received almost 4 BILLION DOLLARS through 55 federal programs guided by Census data.
- ~ It determines *how many seats* NH gets in Congress.

The Census is *easy* ✓✓✓

- ~ Complete the census online from anywhere you have computer access.
- ~ Short and simple, *only 9 questions*.

The Census is *secure*

- ~ Information is *confidential and anonymous*.
- ~ Data will not be shared with law enforcement or others, under penalty of law.

Computers available to fill out the census
Staff members to help
Information sessions on March 4th and 18th at 6 PM

When and how will I be surveyed?

Starting March 12: Fill out your census online (you'll be mailed logon information). Those with only P.O. Boxes can visit the Library to learn how.

April 8-16: You'll receive a paper questionnaire if you haven't filed online yet.

May-July: A Census worker will come to your house if you still haven't completed your form.
